International Certification

The Financial Markets Association (ACI), Paris

Certificate Program in Foreign Exchange Dealing

Financial Markets Association (ACI in French: Association Cambiste International)

ACI is a leading, global association of wholesale financial market professionals. ACI counts some 13,000 international members from more than 60 countries. Members of ACI are in a large part engaged within the financial trading or sales environment in the global financial markets representing the Foreign Exchange, Interest Rate Products and other Securities, Banknotes & Bullions, Precious metals and Commodities and their various kinds of Derivatives.

The ACI Dealing Certificate is a foundation program that allows candidates to acquire a working knowledge of the structure and operation of the major foreign exchange and money markets, including the ability to apply the fundamental mathematics used in these markets, and their core products (cash, forwards and derivatives), and the basic skills required for competent participation, including the ability to apply the fundamental mathematics used in these markets. Candidates should also be able to apply The Model Code to their situation.

Stratadigm is the sole South Asia accredited training partner for ACI.

With this certificate you are a professional holding a qualification which is globally acknowledged that enhances career prospects, improves job performance, and sets benchmarks within the industry.

And more...

...this certificate can be followed with the ACI Diploma paving your path to senior positions.

As a holder of the certificate issued by Stratadigm you can be confident that your investment in the examination fees of the international body will be rewarded with success. The Stratadigm certification process ensures your knowledge levels are sufficient and adequately tested to be successful in the international certification exam.

About the programme

Coverage

The course covers foreign exchange and derivatives in detail including their usage. Risk Management concepts are covered and the Model Code of Conduct for dealers which an ACI certified member is expected to adhere to is also covered. (Complete program details are available in this brochure).

Program Delivery

The program is delivered through in class room sessions through 80 hours of instruction.

Programs are driven by an exciting blend of cases, role plays, problem solving, quizzes and simulations (on a need basis).

Resource Center

The program is supported by a special subject-matter Resource Center which the participant can access online for the duration of the program till the date of the certification exam.

A Stratadigm certified candidate has further access to the resource center to update his / her professional knowledge on an ongoing basis. Cafe Stratadigm, a monthly newsletter allows participants to retain the perspective and industry awareness acquired through the program.

Participants get

- A course handbook which covers the subject matter comprehensively
- Resource Centre access
- Course notebook

Tutors

Stratadigm tutors are experienced professionals (domestic and overseas) with subject matter expertise. They are rigorously oriented to Stratadigm's proven methodology of course delivery designed for learning effectiveness.

Logistics

Programs are conducted at your work location or at a suitable location organized by Stratadigm. The timings are worked out to the requirements of working professionals who need to balance work considerations and personal commitments.

Alternatively, for those at distributed locations our Virtual Classroom overcomes the logistics issues easily.

Your Commitment

Participants must commit to attending more than 80% of the sessions and complete all assignments rigorously and on time. This is necessary to derive complete benefits of the program of study and to achieve the standard necessary for eventual certification.

Examination Procedure

The examination consists of a single paper of 2 hours duration divided into 9 topic baskets, comprising 50 questions.

The overall pass level is 60% (48 marks), assuming that the minimum score criteria for each of the topic baskets is met.

There is a minimum score criteria of 50% for the Model Code section and 40% for each of the other topic baskets.

ACI examinations are electronically delivered in English and German by Prometric.

Fee

Stratadigm training fees of Rs. 35,000/- per participant is payable at the time of Registration.

Please note that the Stratadigm course fee does not include the ACI Exam fees which is currently Euro 250 + VAT of 12.5%.
